

[World War One Centenary : Continuations and Beginnings \(University of Oxford / JISC\)](#)

Which corners of which foreign fields?

by Pat Lockley

0000-00-00 00:00:00

Using data from the Commonwealth War Graves Commission (www.cwgc.org) we've been able to create a spreadsheet of the countries where burials of World War One occurred. Who would have thought Iraq would be fourth, and Togo, site of the first British Empire shot in World War I contains only one burial.
