

Poetry vs. History

by Stuart Lee

2014-10-08 12:06:49

What place do the poets and their work have in the historical analysis of

the War? Dr Stuart Lee takes a look at the debate in the short audio podcast. This episode is part of the new podcast series [The 'British' Poetry of World War One: An Introduction](#), produced by the University of Oxford. It is available for global download and re-use under a Creative Commons License from [Oxford Podcast web site](#) and [iTunes U](#).
